

Actual

**Catalog Number:** HC 409  
**Product ID:** 7TAA117020R0002  
**UPC Number:** 78599141416  
**Status:** A

3-1/2 Inch, Compression Connector, Malleable Iron-Zinc Plated, For Use with Rigid Conduit

**North American Specifications (UNSPSC)**

|             |                                      |
|-------------|--------------------------------------|
| UNSPSC      | 39131707 Electrical conduit coupling |
| IGCC        | 5548 Electrical conduit coupling     |
| Brand Name  | Steel City                           |
| Type        | Compression Couplings & Connectors   |
| Application | For Use with Rigid/IMC Conduits      |
| Standard    | UL E23018                            |
| Trade Size  | 3-1/2 in                             |
| Material    | Malleable Iron                       |

**European Specifications (ETIM)**

|                                                    |                                                        |
|----------------------------------------------------|--------------------------------------------------------|
| ETIM                                               | EC001180 Screw connection for protective metallic hose |
| Nominal size in inch                               | 3 1/2 inch                                             |
| Model                                              | Straight                                               |
| Revolving thread                                   | N                                                      |
| Construction type                                  | External thread                                        |
| Connection type screw connection to housing        | Other                                                  |
| One-piece                                          | Y                                                      |
| Material housing                                   | Other                                                  |
| Surface protection                                 | Zinc coated                                            |
| Approved in combination with protective conduit UL | Y                                                      |

**Packaging**

|                           |                |
|---------------------------|----------------|
| Outer Quantity            | 6              |
| Outer Dimensions (inches) | 13.1x9.1x5.5   |
| Weight Uom                | 4.83 lbs. Each |
