

Representative

**Catalog Number:** A1400HS 10PG  
**Product ID:** 7TAA005410R0061  
**UPC Number:** 61601310973  
**Status:** A

Channel, 14 Gauge, 1-5/8 Inch x 1-5/8 Inch, Length 10 Feet, Half Slot Pre-Galvanized Steel with 9/16 Inch x 1-1/8 Inch Slots on 2 Inch Centers

#### North American Specifications (UNSPSC)

|                      |                                                                                                                                       |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| UNSPSC               | 30101804 Steel channels                                                                                                               |
| IGCC                 | 2577 Steel channels                                                                                                                   |
| Brand Name           | Superstrut                                                                                                                            |
| Type                 | Metal Channels                                                                                                                        |
| Special Features     | Designed so that the maximum number of support and framing applications can be constructed with a minimum amount of labor and pieces. |
| Application          | Support and framing applications                                                                                                      |
| Length               | 10 ft                                                                                                                                 |
| Width                | 1-5/8 in                                                                                                                              |
| Depth                | 1-5/8 in                                                                                                                              |
| Gauge                | 14 Gauge                                                                                                                              |
| Slot Size            | 9/16 in                                                                                                                               |
| Material Composition | Steel                                                                                                                                 |
| Finish               | Pre-Galvanized                                                                                                                        |

#### European Specifications (ETIM)

|                     |                               |
|---------------------|-------------------------------|
| ETIM                | EC000386 Support/profile rail |
| Profile shape       | U-profile                     |
| Model               | Simple profile                |
| Type of perforation | Back perforated               |
| With toothing       | N                             |
| Snap-off            | N                             |
| Material            | Steel                         |
| Material quality    | Other                         |
