T&B Hub

Never before has a single hub fit like this one. Designed for unequalled performance. The innovative engineering of the T&B hub will, quite simply, raise your performance expectations for threaded hubs. Look for the distinctive blue color to ensure the quality of an T&B fitting.

- 1 Sealing ring and groove with innovative profile outperforms standard O-ring design. Sealing ring is captivated in place before installation and resists buckling or slipping during installation. The seal groove is designed for optimum compression of the sealing ring. The sealing ring is designed to provide a complete 360° seal, even when the conduit is not perpendicular with the enclosure. (See Figure 1)
- 2 Locknut design with peripheral slots and a hexagonal/angled spline spaced every 30° enables easy application of torque with wrench or hammer and screwdriver. (See Figures 2 and 3)
- 3 Sharper and deeper teeth on locknut and body designed for a more penetrating bite for improved bonding to the enclosure.
- 4 Hexagonal/splined body design for fast, easy installation with wrench or hammer and screwdriver.
- 5 Precision machined tapered threads designed to create watertight union.
- 6 Insulated throat molded from 105 °C rated thermoplastic with a flammability rating of 94V-O.

Diagram	Cat. no.	Trade size (in.)	A (in.)	B (in.)	C (in.)	D (in.)	E (in.)
			Dia.			Max. panel thickness	Throat dia.

	H600-TB	6	7 1/16	3 5/32	2	5/16	6

Material – Hub and locknut: Zinc or copper-free aluminum
 Insulating throat: Thermoplastic temp. rating – 105 °C
 Flammability rating – 94V-0
 Nitrile (BUNA "N")
 Sealing ring:
 For aluminum hubs, add suffix A (i.e., H050A). For chrome-plated hubs, add suffix CP (i.e., H050CP). For 316 stainless steel hubs, add suffix GRSST (i.e., H050GRSST).

(1/4" through 2" only.) Meets NEMA sealing requirements for NEMA 3R, 4 and 13 enclosures. CP and SST hubs are also rated NEMA 4X and 12.
 UL listed per NEC® 501.10(B). CSA certified for hazardous locations Class II Groups E, F, G, Class III
 UL File No. E-23018 CSA File No. 4484
 Chrome-plated hubs (suffix-"CP") are rated NEMA 4X.
