

EFFICIENT OPERATIONS

NEER ALL-IN-ONE™ CONDUIT BODIES

NEER's All-In-One™ Conduit Bodies are the industry's standard for efficiency, convenience and value. All-In-One™ Conduit Bodies expedite and simplify conduit body procurement and installation by combining the body, cover, gasket and screws into one pre-assembled package, which increases your efficiencies in transaction costs, product selection and merchandising. No more ordering, stocking and piecing components together. Available in a wide range of configurations and sizes, All-In-One™ Conduit Bodies are just another example of NEER's dedication to delivering quality.

EFFICIENCY, CONVENIENCE AND VALUE

Neer All-In-One™ Conduit Bodies are compact with flat back design for easy mounting close to walls, but also a spacious interior for easy wiring. Our All-In-One™ Conduit Bodies are high-strength, corrosion and weather resistant. Threaded and Multi-Hub Threaded and Set Screw conduit bodies are available in five configurations. These threaded bodies can be used with Rigid Steel, Rigid Aluminum and IMC. Multi-Hub Threaded and Set Screw bodies can also be used with EMT.

- Compact with flat back design for easy mounting close to walls, but also a spacious interior for easy wiring.
- High-strength, corrosion and weather resistant.
- Available in five configurations with industry trade sizes ½" through 2" for both Threaded bodies and for Multi-Hub™ Threaded and Set Screw bodies. Threaded version in LB style body available in trade sizes ½" through 4".
- On both Threaded and Multi-Hub™ Threaded and Set Screw bodies steel pan-head screws secure cover to body and provide superior screwdriver seating and torque. Cover screws prevent loss.
- Threaded bodies can be used with Rigid Steel, Rigid Aluminum and IMC.
- Multi-Hub™ Threaded and Set Screw bodies can also be used with EMT.

Hub Sizes:

- Threaded: ½", ¾", 1", 1¼", 1½", 2"
LB also available in 2½", 3", 3½", 4"
- Multi-Hub™ Threaded and Set Screw: ½", ¾", 1", 1¼", 1½", 2", 2½", 3", 3½", 4"

NEC/CEC Certifications:

- UL Standard: 514A
- UL Listed: E53330
- CSA: C22.2 No. 18
- Fed Spec: A-A-50563
- NEMA; FB-1
