

Eaton BH-1132

Catalog Number: BH-1132

Fuse Block, Modular, 0-400A, 0-2500V, High temperature thermoplastic material, 5/16 in-18 TPI stud connection, 6 AWG to 250 MCM (copper) wire size

General specifications

Product Name	Catalog Number
Eaton Bussmann series high speed square body fuse	BH-1132
	UPC
	051712350471
EAN	Product Length/Depth
5027590452908	3.93 in
Product Height	Product Width
3.92 in	2.63 in
Product Weight	Warranty
0.6 lb	Not Applicable
Compliances	
Contact factory	
RoHS Compliant	

Product specifications

Type

Modular

Wire size

#6-250 kcmil Cu

Connection

5/16 inch - 18 TPI stud

Material

High temperature thermoplastic

Voltage rating

0-2500 V

Amperage Rating

0-400A
