

# Eaton 25KBR15

Catalog Number: 25KBR15

Expulsion fuse-link, medium voltage, 15 A, AC 25 kV, 660 mm, ANSI, K fast, style BR termination

General specifications

|                                                     |                                       |
|-----------------------------------------------------|---------------------------------------|
| Product Name                                        | Catalog Number                        |
| Eaton Bussmann series medium voltage expulsion fuse | 25KBR15                               |
|                                                     | Model Code                            |
|                                                     | 25KV 15A REMOVABLE B/H EXPULSION LINK |
| UPC                                                 | EAN                                   |
| 051712296373                                        | 5027590470445                         |
| Product Length/Depth                                | Product Height                        |
| 225 mm                                              | 76 mm                                 |
| Product Width                                       | Product Weight                        |
| 106 mm                                              | 39.24 g                               |
| Compliances                                         |                                       |
| ANSI C37.42                                         |                                       |

### Type

Medium Voltage Expulsion Fuse Link

### Application

Primary side transformer protection, feeder protection, capacitor bank protection

### Amperage Rating

15 A

### Current characteristic type

Type K - Complies with ANSI C 37-42 requirements for fast acting K Characteristics

### Rated frequency - max

60 Hz

### Rated frequency - min

50 Hz

### Release characteristic

K

### Standard

ANSI

### Type of termination

Removable buttonhead

### Voltage type

AC

### Color

Yellow

### Interrupt rating

8 kAIC

### Construction size

660 mm

### Voltage rating

25 kV

### Technical service bulletins

Datasheet - 25KBR15
