

3M™ Eye Protection

2810 Light-Weight Spectacles

Very lightweight, the 3M™ 2810 Spectacles combine the more traditional style of safety spectacle with an attractive appearance.

The flat flexible temples with satin finish enhance the style and user comfort and offer improved compatibility with hearing protection.

NEW!

Features and Benefits:

Style

- + Stylish and modern design, eye protection is more likely to be worn if it looks good

Premium Protection

- + Optical Class 1 for high optical clarity and extended wear time
