

DBK DIRECT BURIAL SPLICE

Fig. 1

Fig. 2

- DBK-1 connectors manufactured from electrolytic copper.
- All other connectors manufactured from high strength aluminum alloy.
- Heavy wall heat shrink tubing with sealant.
- UL Listed for 600 Volts, 90°C.
- Connector and heat shrink packaged together.
- Provides maximum conductivity for UF cable.
- DBK-1 for Copper conductor only.
- DBK-2 and DBK-250 for Copper and Aluminum conductor.
- UL File E125087

Item ID	Figure Number	Conductor Range	UF Cable Range	Standard Package Quantity	NAED/UPC Number
DBK-1	1		8/3 with ground -14/2 with ground	10	0783669232127
DBK-2	2	2-8 AWG		10	0783669232134
DBK-250	2	250 kcmil-1 AWG		10	0783669232141
