**Status:** Active

Two Gang Weatherproof Receptacle Cover, Silver, Aluminum, 2 Duplex Receptacles, Device Mount

- Die Cast construction and industrial design combine to product a rugged protective enclosure for devices.
- Clean cover edges provide good gasket sealing.
- Precision cast and machined surfaces permit safer wire pulling.
- Convenient mounting lugs for a variety of mounting methods and securely fastened mounting plates reduce costly call backs.

#### North American Specifications (UNSPSC)

|                  |                                                                                                                                       |
