

CONDUIT HANGERS

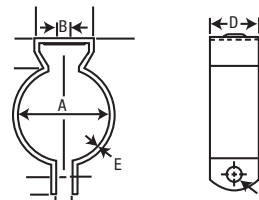

- Our standard conduit hangers come zinc-plated or made from 304 stainless steel.
- Available with or without bolt and nut attached.
- The original conduit hanger available for ½" through 5" conduit.

Available made from aluminum, brass or steel that has been hot dip galvanized or copper-plated.

Call customer service for pricing and minimum order quantities.

See page 74 or 230 to order bolts and nuts separately.
