Description:

Orbit Industries' Box Mounting Adapter mounts 4" or 4-11/16" square boxes directly-to-studs. The bracket features Far Side Support for up to 4" deep studs, helping eliminate most box movement. Mounting holes allow for the use of a 4" ring, removing the need for an electrical box on low voltage applications.

Features:

- Mounts 4" & 4-11/16" boxes directly-to-stud
- Mounting holes allow for the installation of a 4" ring for low voltage applications
- Adjustable Back Support helps maintain rigidity once installed
- Low profile design limits drywall bulging
- For use with metal or wood studs
