

Wiring kit for screw terminal Electrical and mechanical complete for load feeders fuseless for Circuit breaker S00, contactor S0 for 60 mm busbar systems consists of Wiring module busbar adapter Device holder and side modules

| General technical data      |  |                                                              |
|-----------------------------|--|--------------------------------------------------------------|
| Product brand name          |  | SIRIUS                                                       |
| Product designation         |  | Mounting kit                                                 |
| Design of the product       |  | Load feeders with circuit breaker S00, contactor S00, busbar |
| Size of the circuit-breaker |  | S0                                                           |
| Size of contactor           |  | S0                                                           |
| Certificates/approvals      |  |                                                              |
