

The DR56 and DR4 are the perfect choice for new construction, and retrofit opportunities when a sleek, integrated look is preferred.

Benefits:

- Exceeds all industry standards.
- ENERGY STAR rated.
- ENERGY-EFFICIENT
Highly efficient LEDs and Driver.
Long Life: 35,000 hours.
Up to 83% more efficient than incandescent.
Less than six month ROI.
- FULLY DIMMABLE
- EXCELLENT COLOR
Consistent color within 3 MacAdam ellipse tolerance.
- UL approved for damp locations.
- Easy installation and integrated trim.

5 1/2" Recessed Downlights

4" Recessed Downlights
