

Flush Service

T&B Catalog Number:

68P-DV-KIT-BRS

UPC Number:

78599103246

Status:

Active

Description:

Dual voltage divider kit with MopTite brass cover.

Features

One-step installation method, no glue required

The mounting ring comes equipped with barbs that allow the installer to 'press-fit' in place

Voltage divider has easy-cut score lines to accommodate concrete depths of 3 to 6 in.

Faceplate has removable data plates that can accommodate GFCI or standard duplex receptacles

Equipped with 4 standard keystone size openings in the data plates.

MopTite cover uses a snap-lock to close the lid, no screws to turn, just push down the lid and it snaps in place.

Application

For use with 68 P round floor box
