

## Liquidtight Flexible Metal Conduit Fittings

**T&B Catalog Number:**

5336SST

**UPC Number:**

78621097766

**Status:**

Active

**Description:**

1-1/2 Inch straight stainless steel liquidtight connector.

### Features

Available in straight, 45 degree and 90 degree angled configurations to fit conduit from 3/8 in. to 2 in.

### Application

Ideal for industrial MRO and OEM applications in food and beverage, pharmaceutical, petrochemical, wastewater, salt water and other corrosive environments.

Stronger and more UV-resistant than non-metallic fittings.

Rated for temperatures up to 105 degrees C (221 degree F)

Connects metallic-cored liquidtight conduit to a box or enclosure

### General

|                      |                                   |
|----------------------|-----------------------------------|
| Style                | Insulated                         |
| Trade Size (inches)  | 1 1/2                             |
| Material             | Stainless Steel                   |
| Working Temperatures | Up to 105 degree C (221 degree F) |

### Dimension Information

|                      |      |
|----------------------|------|
| Dimension A (inches) | 2.02 |
| Dimension B (inches) | 2.48 |
