

Pre-Fab Components and Assemblies

Three Products in One!

Pre-Fab Box Bracket with Far-Side and Cable Support

The savings can add up, particularly on a large job, when a box bracket, far-side support and cable support are combined in one product to reduce your labor and inventory costs. It is designed for maximum flexibility with flanges for either left or right stud mount, and compatibility with either 4" and 4¹¹/₁₆" boxes.

- Box bracket, far-side support and cable support combined in one product to reduce your labor and inventory costs
- Built-in cable support secures cable 6" above the box, satisfying NEC® code requirements
- Flexible design accommodates both 4" and 4¹¹/₁₆" boxes
- Key-hole box mounting slots maintain box position if mud ring needs to be removed
- Provides clear access to knock-outs once the box is installed for installation of fittings
- Mounts to either side of the stud

Can be mounted either left or right of the stud

Mounting Bracket

- Attaches 4" and 4¹¹/₁₆" electrical boxes to metal stud
- Support leg can be attached to stud to eliminate movement of box in wall
- Attaches to metal or wood stud using self-tapping screws and screw gun or nails
- One part mounts boxes for 1¹/₂", 2¹/₂", 3¹/₂", 4" and 6" stud which means less inventory
